MATERIAL SPECIFICATIONS

BOX COMPONENTS

All component parts are cut from the $\frac{3}{4}$ " material of your choosing, prefinished maple, white melamine, etc., and have an applied edgeband on all exposed edges. All boxes have solid tops and fully captured $\frac{1}{4}$ " back panels. One top nailer and one top drawer stretcher are supplied with each standard base cabinet. All standard wall cabinets are supplied with two nailers. All components are bored for the 32 mm system and dowel or confirmat construction. Dowels are provided.

DRAWERS

Each Standard Base and Standard Vanity Base includes one 4" (100mm) depth drawer box. Drawer box components are cut from $\frac{5}{8}$ " (16mm) double-sided white melamine or prefinished maple and have an applied edgeband on all top edges. Drawer bottoms are fully captured $\frac{1}{4}$ " (7mm) one-sided white melamine or prefinished maple. Drawer sides are bored for dowel construction.

SHELVES

Each Standard Base, Standard Vanity base, Blind Corner base and Base 2 Top Drawer cabinet includes one $\frac{3}{4}$ " (19mm) full depth adjustable shelf. Each Standard Wall cabinet includes a variable number of $\frac{3}{4}$ " (19mm) full depth adjustable shelves as pictured in the catalog. The Utility/Pantry cabinet and Tall Cabinet includes one fixed support shelf. All additional shelves are ordered separately.

CASE QUICK

ORDERING INFORMATION

1. CATALOG ITEMS

All catalog and non-catalog items will be built on a per order basis using COPPERWOOD order forms. We are not responsible for cabinet drawing “take-offs”, however, drawings for custom boxes are always appreciated.

2. PRICES

The prices printed in this catalog are for prefinished maple plywood cases. Please ask a sales representative for the current white melamine discount multiplier.

3. TERMS OF SALE

A 50% deposit is required to start your order. The balance is due when your order is ready to ship. Prompt payments speed delivery. High volume orders will be quoted on a per job basis.

4. DELIVERY

Orders will be shipped via common carrier. Shipping costs will be added to each order or paid by the customer at the receiving end. “Will Call” orders may be picked up Mon. – Fri. between 8:00 am and 3:00 pm.

5. LEAD TIMES

Every effort will be made to complete your order in 15 working days from the date of confirmed orders. For custom orders or unusually large orders, please contact a sales representative for more information.

6. ORDERING CABINETS

All orders and inquiries receive prompt handling. All orders and quote requests must be submitted using the order form at the back of this catalog and emailed to our sales desk. When writing your box description please use the following method:

WIDTH X HEIGHT X DEPTH

This is a standard size box:

Example: 3DB21 21 x Std x Std

This is a custom sized box:

Example: 3DB22 22 x 34.5 x 16

CASE QUICK

ASSEMBLY INFORMATION

1. Place sides on a flat work surface and install hardware in desired locations. Apply glue in construction holes and back slot.
2. Apply glue and insert dowels into top, deck, drawer stretcher (where applicable) and assembly rail.
3. Insert top, deck, drawer stretcher (where applicable) and assembly rail into one side of the cabinet.
4. Slide back into position.
5. Place opposite side onto dowels and gently press into place.
6. Clamp and (or) screw box together checking for squareness. Secure back with staples or glue if necessary.

DOOR AND DRAWER HEIGHT LAYOUT

VERTICAL LAYOUT FOR BALANCED WALL CABINETS
(APPROX. 2mm REVEAL TOP & BOTTOM)

Tall box door sizes are determined by the size of the box minus a reveal of 2mm top and bottom. The doors are split based on the location of the fixed shelf.

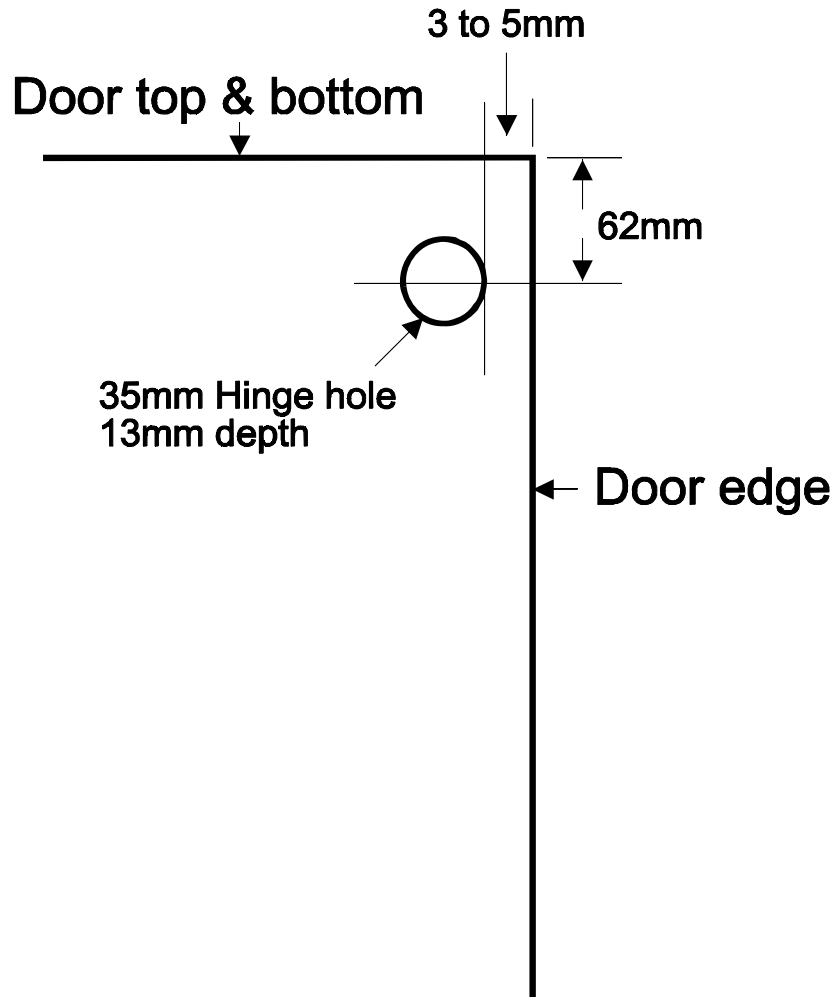

The width of all cabinet doors is based on a 1.5 mm to 2mm reveal on each side of the cabinet.

A door and drawer front size information sheet is available to match the customer's order.

This sheet can be faxed or emailed to the customer or a specified door manufacturer on request.

Your actual sizes may vary depending on the reveal required by your specific job.

SUGGESTED HINGE PLACEMENT

All door, drawer front and drilling information is provided to assist our customers. This information is provided only as a guide. COPPERWOOD LLC is not responsible for the use of these documents.
